

Architectural Design, Level I:
Perceptions and Processes

Meejin Yoon, Professor

Final Problem: Land Form Processes Center

LAND FORM PROCESSES CENTER

Sketch model and final model of the Land Form Process Center by Elizabeth Nguyen, showing the Center as holding the end of the channel.

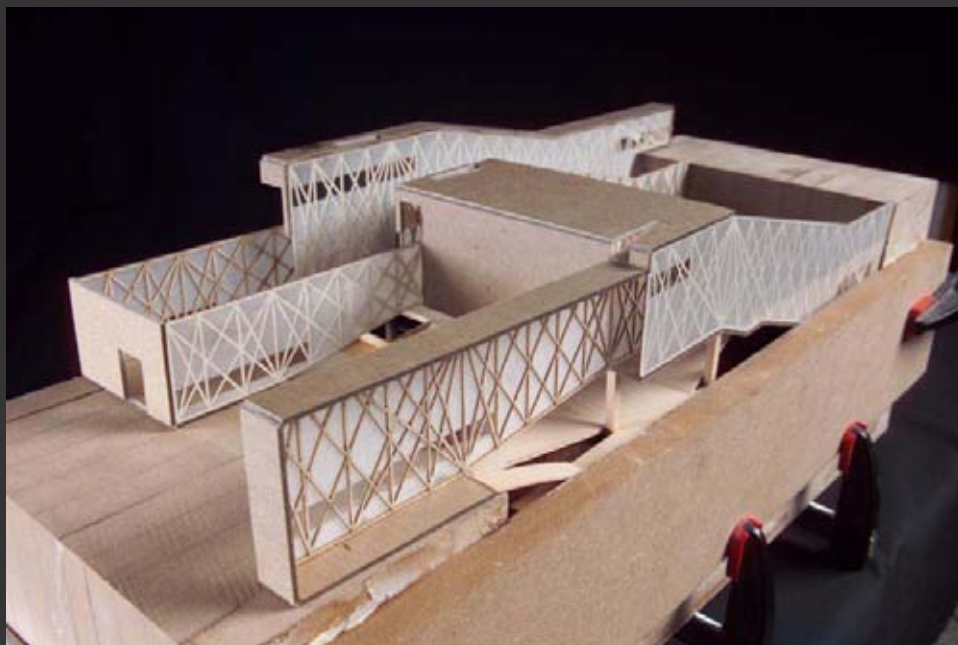

4.123 Architecture Studio Level I F03
Perceptions and Processes
Meejin Yoon, Professor
Final Problem: Land Form Processes Center

Ophelia Wilkins' final model, showing it's position as a series of bridges across the site, and a view down the long axis of one model.

4.123 Architecture Studio Level I F03
Perceptions and Processes
Meejin Yoon, Professor
Final Problem: Land Form Processes Center

Coryn Kempster's sketch and final models, showing the Center both bridging over and submerging into the channel.
